FIG. 5

A block diagram of a television system. A central rectangular block is labeled "STB 102". To its left, two lines extend outwards, labeled "To 110" and "To 120". To the right of the "STB 102" block, there is a trapezoidal shape labeled "204" and a curved line labeled "202". Below the "STB 102" block is a large rectangular block labeled "TV 104". The "TV 104" block has a large central screen area and two vertical columns of horizontal lines on either side, representing speakers. At the bottom of the "TV 104" block is a horizontal row of eight small squares, representing a control panel or buttons.
